Rotten Mail Service.

The Nevada and California railroad will not run a train from Mound House to Churchill on Sunday and people along the line of the V. & T. who have letters for Tonopah or other points south should mail them before the departure of the mail train Saturday night, otherwise they will not go before Monday morning. The train between Mound House and Churchill is now known as the snail express, as it requires an hour and a half to make twenty-six miles. It is reported that a change will be made on the first of the month when Trainmaster Phil McGrath takes charge. The Carson Business Men's Association has taken the matter in hand and will present a protest to the Postoffice Department against the rotten mail service rendered by the Nevada & California railroad.—Enterprise.

Laborers in Brisk Demand.

C. D. Virgilio, the employment agent yesterday shipped forty-five men to Beckwith for work on the new Western Pacific at Beckwith. Mr. Virgilio also shipped the day before twenty-five men to work on the new extension of the Virginia & Truckee railroad from Carson City to Gardnerville.

There is a brisk demand for laborers on railroad construction work. It is expected that thousands of men will be employed on Western Pacific work during the next few months and many of them will be employed and shipped from this city.

The demand for laborers is good all over the country and it is somewhat difficult to get men.—Journal.

Teachers Institutes.

The institute to be held at Reno will commence Tuesday, October 3, 1905, at 10 o'clock a. m. instead of at 2 o'clock p. m. of October 2d.

The Elko institute will be as first announced.

It is to be hoped there will be a general attendance of the teachers of the Western part of the State.

Preston W. Search, a noted lecturer will be in attendance during each institute. The railroads will give reduced rates.

Respectfully,

ORVIS RING,

SOUTHERN TOWNS.

Distances from One Camp to Another and How to reach Them.

Most people have an indirect knowledge of the location of the various newly established towns in the Southern Nevada gold districts few of them have any definite intelligent idea as to where each town actually is and the relative direction and distance of one from another. It will therefore be of interest to many and valuable to some to have them set forth. The following carefully prepared information regarding these localities, the names of which are seen and heard of every day more and more as time passes, but just where they are situated in the broad expanse of southern country few persons could tell, even among some of those interested more or less in mining affairs.

Goldfield is 28 miles south of Tonopah; 16 miles south of Goldfield is Tank Springs; 29 miles south brings one to Summerville, the new strike which is 3 miles west of Thorp's Mill where is located the Nevada-Goldfield Mining Company's property. 27 miles south from Summerville is Muddy Spring, 3 miles south from Muddy is Old Bullfrog or Amagosa (now deserted) where the Original Bullfrog district, now about six months old. Three-quarters of a mile south is the new town of Bullfrog, formerly called Bonanza. From Rhyolite to Beatty, a town of 500 people, is 4 miles north east, passing the rich Montgomery Edwards mine. Goin further south from Beatty, 4 miles, one reaches Gold Centre with its 250 people. A hundred and ten miles southeast from Bullfrog are located the rich strikes of Las Vegas, reached by some via the Clark railroad and stage.

Once Bitten, Twice Shy.

Once a man gets bitten he's always shy of the biter. If you've been bit in the matter of clothes, it's a wise idea to give a wide berth to the one who bit you. Try people with a reputation for making and keeping friends. If you have been disappointed in your garments, let the International Tailoring Co. of New York, Chicago and San Francisco, apply the antidote of good workmanship and guaranteed satisfaction. One suit from them will make you feel kindly towards all the world in general, and put you right in the eyes of your friends. Look, you know, are everything.

See our new Fall and Winter samples and let us take your measure.

We Guarantee to Please You.
